# Why Professional Courses like MBA & MCA?

## Knowledge addition and skill-building

Apart from imparting a working knowledge of management and technology, these courses help develop a broader worldview as well as critical skills such as decision-making, communication and strategic thinking., which are crucial in today's business scenario.

## Career advancement

Pursuing a professional course is one of the best ways to improve one's branding and marketability as a professional, It demonstrates a commitment to continuous learning and development, increasing the candidate's competitiveness and expanding career prospects.

## Increased job satisfaction

An enhanced skillset opens up access to various new projects and areas of work. Often, this helps the candidate find their dream job or company, leading to greater job satisfaction.

## Leadership roles

A professional course such as MBA or MCA imparts in-depth knowledge and a holistic perspective. It also offers networking opportunities and exposure to real-world business challenges, preparing graduates to navigate and lead in dynamic environments.

## Entrepreneurship

MBA graduates can become skilled entrepreneurs as this course teaches the art of identifying opportunities, innovating, and taking calculated risks, which helps drive the growth of any organisation. Similarly, MCA equips students with all the skills required for creating and managing tech-driven businesses.

## Real-time applications

Professional courses ensure that candidates have hands-on experience in dealing with real-world problems. The leadership training, case studies and hands-on learning opportunities impart practical insights and confidence, enabling them to excel in today's business scenario.

## Artificial intelligence

Most professional courses today equip graduates with the skills to leverage AI tools and insights, thus enhancing their strategic and operational capabilities as leaders or entrepreneurs in the modern business landscape.

## Eligibility

Candidates who have completed graduation or are appearing for the final year degree examination shall be eligible to appear for TG ICET / AP ICET. Qualifying marks for TG ICET / AP ICET is **25%**. However, there are no minimum qualifying marks prescribed for SC / ST candidates. In addition, candidates shall fulfil any eligibility criteria that may be laid down by AICTE or ICET officials in the future.

**For TG ICET MBA:** Should have passed a Bachelor's Degree of minimum **3** years duration (Any **3** or **4** year degree except Oriental Languages), with a minimum of **50** percent marks in case of unreserved categories (**45** percent marks for reserved categories i.e., SC/ST/BC)

**For TG ICET MCA:** Should have passed BCA/B.Sc/B.Com/B.A with Mathematics at **10+2** level or graduation level, with a minimum of **50** percent marks in case of unreserved categories. (**45** percent marks for reserved categories i.e., SC/ST/BC)

**Note:** If the qualifying degree is obtained under the Distance Mode Program/Open Distance Learning (ODL), it should be recognised by the Joint Committee of UGC, AICTE and DEC/DEB as per UGC Regulations. The candidate must score a minimum of **50** percent marks in case of unreserved categories. (**45** percent marks for reserved categories i.e., SC/ST/BC)

**For AP ICET MBA:** Degree of minimum **3** years duration from any recognized University or its equivalent.

The candidate must secure a minimum of **50** percent marks in case of unreserved categories (**45** percent marks for reserved categories i.e., SC/ST/BC) in the qualifying degree or its equivalent examination.

**For AP ICET MCA:** Degree of minimum **3** years duration with “Mathematics” as one of the subjects at Intermediate or Degree level. The candidate must secure a minimum of **50** percent marks in case of unreserved categories (**45** percent marks for reserved categories i.e., SC/ST/BC) in the qualifying degree or its equivalent examination.

**Note:** Candidates who passed all the subjects of the three years of any degree course in one sitting are not eligible for admission into the MBA or MCA course.

## Pattern of Test

The syllabus and marking scheme of TG ICET and AP ICET are the same, but the paper pattern\* is different. The test consists of **200** multiple-choice questions of one mark each. There are no negative marks for wrong answers. The duration of the test is **2½** hours (**150** minutes).

### TG ICET Paper Pattern

	Section A: Analytical Ability	No. of Questions	Total Questions

## What we offer

**T.I.M.E.** offers you a comprehensive course which will prepare you for TG ICET / AP ICET in a thorough, rigorous and professional manner.

You will have the benefit of being taught by our experienced faculty members who have been acknowledged as the best by our students.

It goes without saying that the course is well-structured, and the material is comprehensive. We also ensure that the material represents the latest pattern in the entrance exams.

You will also have the satisfaction of knowing that you have joined an institute that has already got many top ranks - you too could be one among them!

## Course Highlights

### Study Material

We provide **11** study material booklets to the students, with solved examples and practice exercises. The material covers all the test areas of the exam. The Arithmetic and Pure Math booklets contain Telugu translations of keywords. Our course includes 95 individual test papers/handouts as well, to help you prepare for each individual test area.

### Classes

We provide **200-220** hours of coaching (**100-110** classes) through long-term/mid-term batches. Our classes are bilingual, with instruction in English and Telugu. If a few students in a particular batch do not know Telugu, the classes for that batch will be entirely in English.

### Topic-Wise Online Tests

**115** Topic-Wise Online Sectional Tests are provided. These online tests will help you revise your concepts and increase your speed. Students can take these tests in our dedicated Student Home Page/Portal (SHP). Ranks will be given for every online topic-wise test that you attempt.

### Mock ICETs (Practice & State Level)

A total of **21** Mock ICETs (a combination of Online and Paper Based Mock Tests) will be provided. All these **21** Mock ICETs are bilingual (questions will be given in English, as well as in Telugu) In addition to in-class and take-home Mock ICETs, Six State Level Mock ICETs with State ranking will be conducted. The State Level Mock ICETs will enable you to compare your performance with that of the other students and see where you stand in a competitive environment. These Mock ICETs will replicate the exam in every conceivable way

### Doubt Clarifying Sessions

Regular doubt-clarifying sessions are held on a weekly or fortnightly basis. Daily doubt sessions are held starting a few days before the actual exam

### Library

Library facility is provided in our centres

### Session on Test-Taking Strategies

We conduct special session on test-taking strategies, which goes beyond academics to give you the competitive edge. In this session, our experienced faculty member will share valuable tips and tricks on various aspects of test-taking such as speed, accuracy and time management.

### Mock Counselling for college selection

Once ICET results are announced, we conduct mock college selection counselling sessions based on the rank data of the previous years.

### Mock Tests on the pattern of MAT Examination

Five online mock tests on the lines of MAT are provided to students on submission of proof that they have applied for MAT

### YouTube Channel, TIME4ICET ([youtube.com/@time4icet415](https://youtube.com/@time4icet415))

In our YouTube channel, you will find useful videos in all subject areas. Through these videos, our faculty members, share tips and short-cuts and boost your confidence for handling questions in ICET.

### Telegram Channel, TIME4ICET ([t.me/time4icet](https://t.me/time4icet))

This is open for all, with free access to a variety of content such as subject videos, quiz questions, notification alerts, vocabulary words/idioms etc.

## T.I.M.E.'s Online Courses for ICET 2026

Apart from our classroom course, you have the option to select the online course for ICET 2026. Our online course is available in two variants - Flexi course (Recorded Online Video Course) and LIVE online classes. Our online courseware is designed to give you thorough grounding through basic concepts, solved examples, shortcuts, and strategies to help you perform your best. Seamless delivery of the lectures via our learning platform will give you the exact same feeling as a classroom. To enrol for online course: [t4e.info/ICETONLINE](https://t4e.info/ICETONLINE)

## Testimonials

**K. NANDINI** | AP ICET 2025 – State Rank 82

The material and classes provided by **T.I.M.E.** were very good. The subject knowledge of faculty members was excellent. The shortcuts and tricks given by the faculty helped me a lot in the exam. The State Level Mock Tests provided my state ranking, which helped me evaluate my performance. If you join **T.I.M.E.**, you can definitely score good marks in ICET

**S. SHIVA JYOTHSNA** | TG ICET 2025 – State Rank 9

I have enrolled in **T.I.M.E.** Institute's Online Programme. My preparation journey with **T.I.M.E.** was very structured and systematic. I can confidently say that **T.I.M.E.** has been a great support in my preparation with its systematic approach, quality teaching and excellent study material. Additionally, the test taking strategy sessions were very useful as they focused on time management, question selection, and other techniques helping performance in the exam. Mock counselling sessions conducted after the ICET results helped in the process of college selection. If you are preparing for ICET, I strongly recommend joining **T.I.M.E.** Institute.

**VENKATA ABHIRAM B.** | TG & AP ICET 2025 – State Rank 345

Joining the ICET classroom program at **T.I.M.E.** was one of the best decisions for my preparation of AP and TG ICET Exams. The teaching quality was excellent—the faculty were always approachable and genuinely supportive, making the learning environment feel friendly and encouraging. **T.I.M.E.**'s resources, guidance and well-structured test series played a big role in boosting my confidence and exam readiness. I highly recommend their coaching to anyone aiming for success in ICET.
